

## User Stories

1. As a user, I would like to view all lifters in the database, so I can get an idea of what kind of lifters are in the area, age ranges, etc.
2. As a user, I would like to add a lifter to the database, so I can have their information on name, weight, height, class, age, etc. incorporated in the database.
3. As a user, I would like to be able to update a lifter in the database, so I can keep their information in the database up to date.
4. As a user, I would like to delete a lifter in the database, so I can remove them from listings in case they move or ask to be removed.
5. As a user, I would like to search for a lifter in the database, so I can view only their data when I need their information.
